SWIM LESSON INFORMATION

We are proud to offer the American Red Cross Learn to Swim Program at the Vashon Pool. The Red Cross is the national leader in aquatics training. Our instructors average 30 hours of training in learning theory and skill development in addition to their training in lifeguarding, first aid and CPR. Many of our instructors learned to swim at this pool themselves and have gone through our instructor aide program prior to becoming staff members.

You can trust the 90-year history of the American Red Cross and the commitment to excellence of King county Parks employees.
